RE: FEC Reports No. 808786 and 808938

To Whom It May Concern:

On September 6 and 7, 2012, Americans for Prosperity ("AFP") filed the above-referenced Form 5 48-hour reports for independent expenditures ("IEs") disseminated on September 5, 2012.

Schedule 5-E requests reporting entities to indicate the election to which the reported IE relates. AFP was initially advised by the Reports Analysis Division ("RAD") to indicate that the above-referenced reported IEs related to the Democratic National Convention on the grounds that the Convention was still ongoing at the time the IEs were disseminated, notwithstanding that the date of dissemination of the IEs was no longer within the reporting period for "24-hour reports" related to the Convention. 11 C.F.R. § 104.4(c).

After additional consideration, RAD advised AFP on September 7, 2012 to submit this letter explaining that the above-referenced reported IEs should actually be considered as relating to the November 6, 2012 general election. Accordingly, AFP hereby submits this letter per RAD's request. All of the other information reported on the above-referenced reports remains unchanged.

Sincerely,

Tracy HenkeExecutive Vice President and Chief Operating Officer
